Tuesday, December 11**

### **OPEN HARDWARE LAB**

Every Wednesday between the hours of 8am and 4pm we will have a technician at the Computer lab waiting for you to bring in your very slow, broken, needing upgrading PCs! Here is a brief list of things we can help with: Fixing Slow or Broken Machines, Upgrading software /Transfer data, making sure your PC is Protected, and Upgrading Computers. Just stop by or call and make an appointment. This is an incredible opportunity, don't miss it! Keep in mind if you need any hardware or non-free software you will need to purchase it. Sam will assist in getting you the necessary software and hardware. (If you need to attend later than 4pm, please contact Sam to set up an appointment)

### **CHROME BOOKS (MITTAL)**

There are many different types of Chrome Books out on the market. Come learn about the different types. Sam always gets the statement "it doesn't run Windows" . But new Chromebooks will also run Android software so they're not as limited as they were. Students will be able to purchase a chromebook for \$75 if they want, or experience one of ours.

### **FITBIT TRACKERS & GET HEALTHY ON-LINE (MITTAL)**

So, you REALLY want to get healthy in 2018. This class will help you begin. We will show you some of the best web-sites for exercises, motivation, healthy menus, keeping track of daily food intake and much much more. Make yourself a priority today! We will also talk about the different types of Fitness Trackers, showing you the pro's and con's of several different models. The students cost for this class is \$40.

### **SONOS BLUE TOOTH SPEAKERS (USS/MWS)**

Technology is changing every day and trying to understand all the different blue tooth speakers is hard. In this class we will break them down by type, brand and cost and let you experiment with the different ones. The student cost for this class is \$40 and must be paid the first day of class.

### **WILLMAKER (MITTAL)**

Do you have a will? Have you been putting it off because you don't want to hire an attorney and you really don't want to think about it. Well, now is the time because it is so easy. Come to this class and learn the different packages available to use and begin creating yours today! Don't let the court decide the outcome of your estate! Don't delay the distribution of your assets to your loved ones! Take just a few minutes to write your Last Will and Testament today (CEI is not offering any legal advice in this class, we are showing you how to use pre-designed software to create a will)
